

Imagine...

A Fully Restored Strategic Petroleum Reserve

America's Energy Security Insurance

Strategic Petroleum Reserve

	FY 2001 Request
Operations	\$158.0
SPR Petroleum Account	- 7.0
Total	\$151.0
Dollars in Millions	

- ▶ Nov. 2000 - Refill of SPR complete; 28 million barrels of Royalty-in-Kind oil delivered
- ▶ FY 2001 facilities budget is lowest since 1987 due to cost-savings from:
 - 1) Streamlining - fewer pumps, valves, manifolds, etc.
 - 2) Standardization of equipment during life-extension program
 - 3) Completion of modernization with extensive automation
- ▶ Authority to use other DOE funds during emergency reduces amount necessary in Petroleum Account
